THE PRIDE OF HOKIE NATION

ANOTHER STRONG SQUAD TO CARRY ON THE TRADITION OF WINNING

Before you know it, the **Hokies** will be hitting the field in August as they prepare for the 2014 football season and **Lane Stadium** will be rocking once again. **Tech** will have seven home games, including conference match-ups with **Miami**, **Georgia Tech**, **Boston College** and in-state rival **Virginia**.

In its second year under the direction of Offensive Coordinator **Scot Loeffler**, the offense will return a number of key players. Tailbacks **Trey Edmunds** and **J.C. Coleman** will lead the running game while a trio of experienced receivers, **Joshua Stanford**, **Willie Byrn**, and **Demitri Knowles** will be prime targets in the passing game. Additionally, veteran center **David Wang** will lead an offensive line that is predicted to have more depth in 2014.

The defense will reload once again as cornerbacks **Kendall Fuller** and **Brandon Facyson** combine with **Kyshoen Jarrett** and **Detrick Bonner** to lock down the secondary. **Luther Maddy** is back for his senior season to anchor the defensive line. Linemen **Dadi Nicolas** and **Nigel Williams**, who came on strong toward the end of the 2013 season, will be joined by **Ronny Vandyke** who will be back at the whip linebacker position following an injury a year ago.

With a good nucleus already in place and the addition of another top recruiting class, **Virginia Tech Football** will be a contender once again in the **Atlantic Coast Conference**. So be **Hokie Proud** and order your season tickets today!

DRIVEN BY HOKIE PRIDE

A GREAT WAY TO SUPPORT YOUR HOKIES AND ENJOY THE BEST SEATS AND PARKING

Available seat locations in Lane Stadium are assigned using the Hokie Club point priority system. Members accumulate points based on 1) current gifts, 2) cumulative giving, 3) years of continuous membership, 4) volunteer involvement, and 5) season ticket and postseason ticket purchases. As a member of the Hokie Club, you will receive seat location preference over non-Hokie Club members. Seating assignments for new season ticket holders are based on the availability of tickets and your point priority total as of December 31, 2013.

Ticket priority limits apply to home games. The numbers represent the total number of season tickets you may purchase in your priority. Please refer to the chart at the bottom of the page to determine ticket priority limits at the various Hokie Club membership levels.

As with last season, campus construction will continue to impact the number of parking spaces available. Therefore the available parking inventory will remain at approximately 6,000 spaces, as additional spaces had to be acquired from some of the public lot areas. As in the past, appointment times for parking selections, if available, will be based on each member's point priority ranking as of December 31, 2013. In order to qualify for an appointment time for a parking selection, your membership must be current as of December 31, 2013.

YOUR PARKING GAME PLAN...

EVERY HOKIE FAN LOVES TO TAILGATE!

PUBLIC PARKING: On-campus parking in designated lots is permitted. The game-day charge is \$15 per vehicle. The "P" lots are designated for general public. Other designated lots are Hokie Club member lots.

HOKIE CLUB PARKING: Hokie Club members' parking orders should accompany the season ticket orders and be returned by the March 14 deadline. The selection time for your parking location will be based on the members point priority ranking. Any orders after March 14 will be limited by availability.

FACULTY/STAFF: Faculty/Staff who are Hokie Club members may obtain their season pass by returning their request with their ticket order. All other Faculty/Staff may park in the "P" (public) lots with their Faculty/Staff permit issued through University Parking Services. If you are a Hokie Club member and do not request a pass in a Hokie Club lot, you will not receive a pass.

ADA PARKING: For qualifying Hokie Club members, an ADA season parking pass may be purchased for Lots 1, 2, 3 or 5 next to the stadium. Due to demand, ADA parking requests are filled via a lottery, and a copy of your current disabled parking placard ID card displaying your name and assigned motor vehicle number is due at the time of your order. If your request cannot be honored, a refund will be issued in late July. Public ADA parking is available on a game-by-game basis in the designated ADA Lot on Prices Fork Road. The cost is \$15 per game. You must display an ADA hangtag or license plate emblem to enter the ADA area in the Designated Area. Pay as you enter the lot on game day. Courtesy Shuttles to and from Lane Stadium will be provided to ADA patrons parking in the Prices Fork Lot both pre-game and post-game. If there are any special needs, please call the Ticket Office at (540) 231-6731 or 1-800 VA TECH4 (828-3244).

RV PARKING: Hokie Club members' RV parking orders should accompany the season ticket orders and be returned by the March 14 deadline. Due to extremely limited RV parking, all reserved spaces will be based on members' point priority ranking. The Virginia Tech Airport provides a season pass opportunity in its designated lot at the Tech Airport. For information, call (540) 231-4444. A limited number of RV parking spaces are available on game day in the Public RV lot. Spaces are available on a first come/first serve basis and a game day fee is charged.

BUS PARKING: A very limited number of parking spaces are available for buses. Game day passes may be purchased in advance by calling the Athletics Ticket Office at (540) 231-6731 or (800) 828-3244.
