### Hokies Earn Academic Recognition

Virginia Tech men's golf received Public Recognition Awards from the NCAA for top academic scores in the classroom, as announced by the NCAA ... Public Recognition Awards get handed out based on a sport's multi-year Academic Progress Rate, better known as APR ... The APR is an annual scorecard of academic achievement calculated for all Division I sports teams nationally ... To receive a Public Recognition Award, a team must have an APR in the top 10 percent of its sport ... This is the seventh consecutive year the Hokies have received the honor.
